

## Agrosafe App Privacy Policy

Project Box, LDA., responsible for processing data from the Agrosafe application, undertakes to respect and protect the information granted to it in accordance with the General Data Protection Regulation (Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016) on the protection of natural persons with regard to the processing of personal data and on the free movement of such data.

### What personal data do we collect?

To use our application it is necessary to create an account. In this case, the minimum necessary personal data to be provided are the e-mail address and username.

### How do we use the information we collect?

The e-mail address is used to create an account, log in and may be used to contact the user, in this case only if necessary.

The username is used to create an account and to use the application's features, such as managing tasks and registering a vehicle's daily activity. The purpose of collecting the name is to identify the person in charge of a task and the driver of a vehicle, so that, in the event of an accident or medical emergency, it can signal and alert the competent authorities and list of emergency contacts.

None of the personal data is disclosed outside the application.

When using the Agrosafe app, the user accepts and recognizes that he will have to provide his personal data, name and email, strictly necessary for the provision of its functionalities; such data will be used exclusively for the aforementioned purposes.
